To

His Highness the Maharaja of Mysore,
Revenue Department.

Mem 286-25-1

I have the honor to state that one Mr. N. Garudachar-pleader and retired Taluk Sheristedar offered six 4½% Mysore State Loan --- Bonds of Rs.50/- each with a view to utilise the interest thereon for certain sevas in the Sri Venkataramanaswami temple on the Hill at Tirupati and this offer was accepted in this office order No.R. Dis.16 of 1924-25.

Again an additional bond of Rs.50/- was accepted the interest thereon being allowed to accumulate till the date of its maturity so that the total amount of his endowment at the end of the year 1940 when the bonds mature may not fall short of Rs.400/-, the amount required to yield an interest sufficient to meet the cost of the -- sevas permanently.

Now the donor with a view to secure permanency of his sevas offers Government of India 3½% promote of the face value of Rs.600/- to be substituted for the State Loan Bonds endorsed in favour of the Dewan of Mysore and now in the custody of the Comptroller. The annual interest of Rs.21/- accruing on the latter bond now -- offered is enough for the performance of the stipulated sevas.

The Comptroller who was written to in the matter states in his letter No.54/S1.dated 8th July 1925 (copy enclosed) that for the acceptance of the endowment in Government of India 3½% sanction of Government is necessary. The request that sanction of Government may be kindly accorded to the acceptance of the 3½%

Government of India Promote free of income Tax in lieu of the seven 6½% Mysore State Loan Bonds now in the custody of the Comptroller which will have to be returned to Mr. N. Garudachar endorsed favour.

The entire file on the subject is submitted for reference and kind return.

I have the honor to be,

S i r,

Your most obedient servant,

C S Balasundaramy 4

Mudrai Commissioner.,

"With reference to your letter No.1391 dated 6th June 1928, -- forwarding for disposal the petition of Mr. K.Garuda Rao retired --- Taluk Sheristedar in the matter of accepting a Government of India Bond in lieu of the 6¼% bonds for Rs.300/- which has already been accepted as a Kuruva endowment, I have the honor to state that for the ------ acceptance of endowment in Government of India Bonds sanction of Government is necessary and orders of Government have also to be obtained as to how the endowment has to be treated and what interest has to be -- allowed after the bonds mature. The same may therefore be kindly --- obtained and communicated."
